Coming from Berne, Bale or St. Gallen follow the motorway signs for "Chur" (green signs). At the end of the transit way (Weststrasse) you have to turn right, but do not continue the double lane which leads to the motorway (Autobahn), but keep to the right (Manessestrasse) and turn right at the first traffic light. After about 100 metres you'll see Orell Fussli on your right. Please turn right and use the parking spaces in front of the building.
